REACH SVHC Declaration

(for SVHC-concentration below limit)

Metsäliitto Cooperative, Metsä Wood hereby declares that we fulfil the Regulation (EC) No. 1907/2006 of December 18, 2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH).

Metsä Wood plywood products do not contain above 0,1% any of the Substances of Very High Concern (SVHC) listed on the Candidate List of ECHA as these substances have not been intentionally added to products.

We are continuously monitoring the Candidate List for updates.

Our customers will be informed if one or more of the substances defined by the regulation exceed the limit value.

Jouni Hakkarainen

Director, R&D
